The City's Shared Use Master Plan was adopted in 2009 and has guided the implementation of updates to our shared use path system over the past decade. The City of Sanibel, in collaboration with the Lee County Metropolitan Planning Organization (MPO), is currently updating to the Sanibel Shared Use Master Plan. The Master Plan Update is being conducted to recognize the improvements completed over the past decade and will guide the long-term

vision for the Shared Use Path system. During this process the City and MPO will solicit and receive public comment through a variety of channels including Open Houses, surveys and emails.

**On Tuesday, February 19, 2019 the community is invited to drop-in any time between 10 a.m. to 6 p.m. to provide your input directly to the team preparing the Shared Use Master Plan Update. The Open House is being held at the Sanibel Recreation Center, 3880 Sanibel Captiva Road, Sanibel, FL 33957.**
